REFERENCES AVAILBLE ON REQUEST

About Me

Recent graduate with a Computer Science & Electronics Degree and have interest in software and web development. Looking for a position that will further provide practical experience in the tech field which will enhance my knowledge from my education and hands-on experience. Very articulate in both team-work and problem-solving skills.

Education

North-West University

BSc Computer Science and Electronics

01/2017 – 12/2020

Majeje High School

Matric (Grade 12)

01/2012 – 12/2016

Projects

Full Stack Developer - 04/2021 to Present

Portfolio Website

A personal portfolio website which showcase more about me and my work. The website was designed using HTML & CSS.

- <http://philanderntsako.epizy.com/>

Full Stack Developer - 03/2020 to 09/2020

Plaudits SA Clothing

An online store (e-commerce) for a clothing company. The dashboard and frontend were designed using HTML, CSS & JavaScript and all backend functionality was handled using PHP, with database queries handled using MySQL.

- <https://plauditssa.co.za>

Developer - 09/2019

Final year AI project

A system which converts an image into text. I was responsible for the frontend and as well as testing. We used HTML, CSS & React.
